

**Ditch the game,  
who cares if you get  
to level 12?**

**Tell everyone you got to FLY A REAL PLANE!**

**Yeah, not ride in..... but you do the flying**

**You Start the Engine and Talk to Air Traffic Control**

**You do the Takeoff, Fly and Land the Plane from the Captain's Seat!**

**Post the picture of you flying on:  
Facebook & MySpace  
Email it to your friends  
Do something really cool this weekend.**

*Stuff to show your parents* →

**Tell your parents you deserve this because:**

- It's your birthday
- You got good grades
- You were nice to your little brother
  - You cleaned your room
- It's National Buy Your Kid a Flight Week!

**[www.MyAdventureFlight.com](http://www.MyAdventureFlight.com)**

**Give them the gift of a lifetime,  
something that makes a difference. Let  
the dream begin with a ...  
YOUTH ADVENTURE FLIGHT**

**A very experienced flight instructor and commercial pilot walks them through a customized lesson plan developed with credentialed teachers for each age group. Your child will actually start, taxi and fly the plane *(with the instructor's help)*.**

<b>Benefits to your child</b>	<b>Adventure Flights "Student Pilots"</b>
<b>Math Skills</b>	Learn Flight Planning
<b>Science</b>	Aerodynamics, Weather
<b>Communications</b>	Talk to Air Traffic Control
<b>Focus and Concentration</b>	Use written checklists for: preflight, start, takeoff, and land
